Adam Ferrari

Chief Executive Officer

With a robust career spanning over 18 years in the oil and gas industry, Adam Ferrari brings a wealth of experience and expertise to the field. Having commenced this journey in 2005, Ferrari has navigated diverse engineering and leadership roles, showcasing a deep understanding of the intricacies within the sector.

Specializing in oil and gas completions engineering, engineering operations, and financial and corporate structuring, Ferrari stands as a seasoned professional with a comprehensive skill set. His proficiency extends to acquisition evaluation and a nuanced understanding of leasehold and mineral title intricacies.

Currently positioned at Phoenix Capital Group, Ferrari plays a pivotal role in providing strategic direction and guidance. His responsibilities include determining optimal mineral rights purchases and underwriting mineral leaseholds. Notably, Ferrari focuses on software modeling to enhance efficiencies and facilitate optimal purchase strategies.

Ferrari graduated magna cum laude with a Bachelors of Science degree in Chemical Engineering from the University of Illinois at Urbana-Champaign, underlining not only his practical industry experience but also his strong academic foundation. With a commitment to excellence, Ferrari, continues to
